

In the Supreme Court of the State of Alaska

Katrina P Spare f/k/a Moreland,
Appellant,

v.

Donald Moreland,
Appellee.

Supreme Court No. S-17815

Order Returning Appellant's Brief

Date of Order: **10/22/2020**

Trial Court Case No. **4FA-18-02345CI**

Appellant's brief and excerpt of record, filed on **10/12/2020**, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212.

Some documents cited to in the brief should be added to the excerpt of record. Exc. 21 reports that the court entered its findings on the record with regard to the contested property at the hearing on 2/19/2020, but the excerpt does not include a copy of the pages of the transcript at which relevant oral findings of fact are recorded. See App. R. 210(c)(2)(A)(iv).

The excerpt is missing the motion for reconsideration as well as any briefs, memos, or documents filed in support of or in opposition to the motion for reconsideration. See App. R. 210(c)(2)(A)(viii).

The citations in the brief should then be updated to reflect citation to the excerpt page numbers, not the record page numbers. See App R. 212(c)(A)(8).

The page number of the brief needs to be corrected to follow consecutive order and should not begin on the cover page. The brief is lacking in citations for some factual statements and references to legal authority throughout the argument. See pages 5, 6, and 19.

The relief sought should be clearly and precisely stated within the statement of the issues presented for review or the conclusion.

IT IS ORDERED: The corrected brief, and the excerpt, with proof of service, are due on or before **11/2/2020**. Appellee's brief due date is hereby **VACATED**.

Entered under Appellate Rule 102(f).
